

ACADEMIC CREDENTIALS & EDUCATIONAL VERIFICATION DOSSIER

Candidate: FUAD AHMED TUBA

Target Event: BFUTR Global Tech Summit 2026 (Mississauga, ON, Canada)

Host Organization: Obsidi® by BPTN (Black Professionals in Tech Network)

Date of Dossier Compilation: September 2026

Document Classification: Official Academic & Professional Verification Record

1. Candidate Identification & Verified Profile

Attribute	Verified Official Record	Source Document
Full Legal Name	Fuad Ahmed Tuba	St. Mary's University Degree & NEAEA Certificates
Alternative Spelling	Fu'aad Ahimad Tubbaa	Oromia Regional Bureau Certificate (Afaan Oromoo)
Date of Birth	February 16, 1999 (Gregorian) / 09/06/1991 E.C. (Ethiopian)	St. Mary's Official Academic Record
Gender	Male	Official University Record
Student ID Number	RCD/1974/2011	St. Mary's University Department of Computer Science
Current Professional Role	Senior Software & Systems Engineer / Technical Operations Lead	Aduutech, Addis Ababa, Ethiopia
Nationality & Residence	Ethiopian (Addis Ababa, Ethiopia)	National Identity & Verified Records
Contact Email & Phone	fffuad1974@gmail.com / +251 925 278 350	Official Mobile & Email
Primary Language of Instruction	English	100% University & Higher Secondary Instruction

2. Higher Education: Bachelor of Science in Computer Science

2.1 Institutional Overview

- Awarding Institution:** St. Mary's University (SMU), Addis Ababa, Ethiopia (P.O. Box 1211)
- Faculty:** Faculty of Informatics | **Department:** Department of Computer Science
- Accreditation:** Fully accredited by the Higher Education Relevance and Quality Agency (HERQA) / Ministry of Education, Ethiopia

- **Admission Classification:** Regular (Full-time) | **Status:** Graduated
- **Degree Award Date:** July 21, 2022 | **Temporary Certificate Issue Date:** August 09, 2022
- **Cumulative GPA (CGPA): 3.04 / 4.00** | **Major Field GPA: 3.20 / 4.00**
- **Comprehensive Degree Exit Exam: Pass (P)**
- **Capstone Honors:** Senior Project I (Grade **A**), Senior Project II (Grade **A+**)

3. Academic Relevance Mapping to BFUTR 2026 Tech Pillars

The BFUTR Global Tech Summit convenes global Black tech leaders, software innovators, and engineers across multiple technical tracks. Below is the direct mapping of Fuad Ahmed Tuba's academic curriculum to BFUTR's technical themes:

BFUTR 2026 Core Focus	Supporting University Coursework	Verified Competency & Practical Application
Enterprise Software & Web Architecture	• CoSc-461: Advanced Object-Oriented Programming (Grade A+)<BR_TAG>• CoSc-362: Object-Oriented Programming (Grade A)<BR_TAG>• INSY 332 & 431: Internet Programming I & II (Grades A, A)<BR_TAG>• CoSc 3054: Rapid Application Development (Grade A)	Full-stack software architecture, modular enterprise engineering, secure RESTful APIs, modern web frameworks deployed in commercial production at Aduutech.
Cloud, Network & Systems Infrastructure	• CoSc-481: Network and System Administration (Grade A)<BR_TAG>• INTE 440: UNIX System Administration & Support (Grade A-)<BR_TAG>• CoSc-451: Operating Systems Principles and Design (Grade C+)	POSIX Linux/UNIX environments, shell automation, daemon configuration, TCP/IP networking, routing and firewall security, server deployment.
Data Engineering & Database Security	• INTE 451: Advanced Database Systems (Grade A)<BR_TAG>• INTE 351: Fundamentals of Database Systems (Grade B)	Normalized relational database design (SQL), transaction logging, ACID compliance, applied in federal tax database modeling at the Ethiopian Ministry of Revenue.
AI, Algorithms & Heuristic Analytics	• CoSc-412: Introduction to Artificial Intelligence (Grade B-)<BR_TAG>• CoSc 303: Theory of Algorithm (Grade B+)<BR_TAG>• Math-275: Statistics & Probability Theory (Grade C)	Algorithmic optimization, predictive logic, data analytics foundations supporting modern machine learning workflows.
Tech Leadership & Agile Project Delivery	• CoSc-401: Software Project Management (Grade A)<BR_TAG>• CoSc-591 & 592: Senior Projects I & II (Grades A, A+)<BR_TAG>• Mgmt 421: Entrepreneurship & Small Business (Grade A)	Software engineering lifecycle, team leadership, sprint planning, client relationship management, community tech advocacy.

4. Continuing Professional Education: Capital Markets & Securities Analysis

- **Institution:** Addis Ababa University – School of Commerce
 - **Credential:** Certificate in *Fundamentals of Capital Markets & Securities Analysis* (50 Hours, Sept 2024, Cert #43504)
 - **Relevance:** Equips the candidate with specialized knowledge in fintech systems, electronic capital market transactions, and financial data integrity.
-

5. Verified Pre-University Records

- **Grade 12 National University Entrance Exam (NEAEA):** Score 343 / 700 (Civics: 87/100, Aptitude: 80/100).
- **Grade 10 National Secondary Certificate (NEAEA):** Distinction standing (Straight 'A' in English and Civics).
- **Grade 8 Regional Certificate:** 95.59th percentile standing.
